SUMMARY

South Africa became democratic country in 1994 and as from that time many changes have taken place. The main aim of this dissertation is an attempt to establish the impact of the changes in the constitution with emphasis mainly on the impact of Human Rights on Zulu culture and respect with reference to women and children.

The research has been conducted in Mandeni under Inkosi Mathonsi, Inkosi Mathaba and Inkosi Mhlongo. The aim of this dissertation is to find out the views of the people from different levels of society, regarding Human Rights and their impact on Zulu culture. A lot of controversy has arisen between the Human Rights Commission and the committee of the traditional leaders. The cause of this controversy is the custom of virginity testing in girls and the festival of reed dance that occurs annually in the palace of King Zwelithini Zulu eNyokeni.

The research has been done in various ways such as interviewing people, listening to UKhozi FM, reading newspaper articles and watching the TV programme ‘Asikhulum’ (let’s talk). The research focuses on whether it is easy to change peoples’ culture since people are identified by their culture and it is the main thing that makes them different from other cultures.

Chapter one: The research focuses on the purpose and the motivation for the research. The research includes topics such as the problem, how the research have been conducted, demarcations and the importance of the research. Ideas of the writers and the explanations of the words such as culture and Human Rights will be included.

Chapter two: This chapter is the main part of the research where people have been interviewed about the changes that have arisen due to the recognition of Human Rights. People of different ages and gender have been interviewed using the questionnaire system. The media communication such as UKhozi FM, television and newspapers has been consulted.

Chapter three: This chapter is about the analysis of the research findings and the ideas of the writers. The focus is in how the Zulu culture is practised and the changes that have been done. It focuses on the present events associated with the disrespect of the Zulu culture versus people exercising their Rights.

Chapter four: This chapter looks at the challenges faced by the Zulu nation amakhosi, male and female youth and the king of the Zulus regarding changes that are proposed to take place in the culture concerning the virginity testing and the reed dance.

Chapter five: The last chapter is based on evaluations, recommendations and the summary of the research. The focus is mainly on the future of the Zulus when there are changes in the cultural treasure and the impact thereof. It looks at how these changes will be accepted by the Zulu nation.

Finally, the research findings show that most Zulus are not happy with the changes that affect their culture for the following reasons. Firstly, they say that interfering with culture needs the views of the majority of the people concerned. Secondly, they say democracy includes freedom of choice. Thirdly, they say they are not happy with the behaviour of some women and children since the advent of Human Rights, they lack respect. The research ends by commenting on the amendment of certain issues in the constitution. The promotion of cultural tolerance should be revived and multiculturalism in schools should be encouraged. The importance of culture in all official South African languages must be recognized.

Isiko liyindlela yokuphila nokwazi kabanzi ngemvelaphi yesizwe.

Isiko nempilo ephilwa izizwe ngokuhlukana kwazo singeke sakwehlukanisa. Kukhona isiko elethusayo uma ubona lenziwa elesabisayo nelihlekisayo kwabanye abantu. UManyathi, (2010:20) uthi:

Isiko ukuguqula inzululwazi nezinjulamqondo eziyinkolelo izinkolo kanye nemikhuba emihle yesizwe ibe yisenzo. Liyisibuko lapho isizwe sizibuka khona ubuhle kanye namaphutha neziphosiso zaso njengothekwane ezibuka emanzini. Kulapho esizifaka khona esilinganisweni ukuze sizazi ukuqina kumbe ubuthakathaka baso. Sizibone futhi siyisizwe sizizwe ukuthi siyashisa noma siyabanda siyakhula noma siyabhasha siyafa noma siyaphila.

UManyathi, (2010:20) ucaphune uKhumalo kuShabangu echaza amasiko ngokuthi: “Amasiko yiwona ayisisekelo sakho konke ukwenza, ukukhuluma nokucabanga kowoMdabu oyingqalabutho.” Uqhuba uthi uNxumalo noNyembezi, (1966:99) bona balichaza kanje isiko. “Isiko ngumkhuba owenziwayo inqubo eyejwayelekile elandelwa isizwe okuthi lapho umuntu eyeqa imithetho okufanele ayigcine avelelwe ishwa kanye nomndeni wakhe noma sonke isizwe sakhe.”

Abangahloniphi isiko labo bavama ukuvelelwa okubi. Amasiko angumgogodla waleso naleso sizwe. Amasiko aligugu lesizwe futhi yiwona ahlanganisa impilo yabantu.’

Uqhuba uthi uManyathi, (2010:21): ‘Isiko liqhubeka libe yisimbelaambela. Liyaqhubeka lithuthuke uma likwazi ukuguquka nezikhathi. Libe isimbelaambela uma abasebenzisi balo bengazimisele ukulahlekela wububona. Yilobo bumbelambela obudala ukuba kube nemithetho engalotshiwe ngisho phansi ebusa izwe, okuthi uma yeqiwe kuvele amashwa iminyama nemishophi. Isizwe sidliwe yizinswazi zemiswazi yezinyama nezinyandezulu zasezwani lezibankwa nezibangamlotha.’

Isiko lichazwa ngezindlela eziningi ngabantu abahlukene. Sithola lapha lichazwe ngale ndlela uTheodorson and Theodorson, (1969:95) ubeka kanje:

It is the way of life of a social group the group’s total man-made environment, including all the material and non-material products of group life transmitted from generation to generation.

Isiko liyindlela yokuphila kwengxene ye yabantu. Le ngxenye

Imiphumela Yemibhikisho

Imiphumela yokubhikisha ayinayo imithelela emihle. Ukubhikisha kumbandakanya ukucekelwa phansi kwempahla okuyinto embi ngoba ayibikhona inqubekela phambili emphakathini. Imibhikisho ikhuphula izinga lobugebengu ngoba izinswelaboya zithola ithuba lokuganga. Imibhikisho ihambisana nodlame kubulawe impahla nabantu imbala. Ukuba khona kwemibhikisho kuxosha abavakashi se lehla izinga lomnotho ezweni. Abantu balahlekelwa imisebenzi kube nobubha ezweni. Abatshali zimali bayathutha ezweni elinemibhikisho ngoba basuke bengasayitholi inzuzo. Imibhikisho ibangela izwe isigcwagwa kwamanye amazwe, izwe elinodlame alithandwa muntu ngakho kuba nzima ukuthola usizo kwamanye amazwe.

Inhlonipho

Leli gama lazisa kakhulu isizwe samaZulu lilindekile esizweni sonke. Isaga esithi ‘kuhlonishwana kabili’ sigcizelela lona isiko lokuhlonipha isidalwa esingumuntu. Inhlonipho ilindeleke emazingeni ahlukahlukene abantu. Omdala uhlonipha omncane nomncane

ahloniphe omdala. Inhlonipho ihambisana nobuntu kanye nokuzithanda komuntu ekwenzeni konke, iphinde yenze umuntu alesabe ihlazo. Umuntu ozihloniphayo uyaqikelela uma ekhulumu nabanye abantu futhi uyawakhetha amagama awakhipha ngomlomo wakhe. Umuntu ozihloniphayo yena uqobo lwakhe naye uyahlonishwa emphakathini.

2.3. Iqhaza Labesifazane Ekukhulisweni Kwezingane

2.3.1 Kusukela Ingane Izelwe Ngesikhathi Sakudala

Lapha sibuka umuntu wesifazane njengenzalabantu ukuthi wayenzani kudala uma engasakwenzi, kwenziwa ubani namhlanje. Umuntu wesifazane kuningi okwakuwumsebenzi wakhe mayelana nokukhulisa kwengane. UBrindley (1982:64) uchaza kabanzi ngeqhaza labantu abadala kakhulukazi ekukhulisweni kwezingane ubeka ngokuthi:

Gastroenteritics or a sunken fontanelle is usually ascribed to Inyoni (a negative force derived from mother's contact with a place that was struck by lightning).

Inkaba ixhumanisa umama nengane idla ngayo isesiswini, ingane ezelwe inakekelwa abantu besifazane abadala beyichatha inyoni noma beyilahla isishozi. Lokhu kwakwenzelwa ukuqedu izinhlungu enkabeni yengane futhi lokhu kwakwenzelwa endaweni ebizwa ngokuthi isishozi lapho kushaya khona umbani wezulu uma liduma.

2.3.2 Ukwehlisa Izinga Lokulangazelela Ucansi

UBrindley, (1982:64) uqhuba uthi kudala kwakunezindlela okwakwehlisa ngazo ukulangazelela ucansi ngesikhathi ingane ikhula.

Reducing sexual desire: Old woman partly attribute the present high incidence of illegitimacy to the fact that the operation of ukunconca is no longer performed on the young. Once the child begins to walk, a woman who has the knowledge and experience and is usually old, fetches a piece of umuzi (fibre used in mat-making) grass, flattens one side and ties a knot at the end.

Ukwehlisa ukulangazelela ucansi, umama omdala wayekwenza ngendlela yokuthi kungabi nobungozi ezinganeni Ukungconga kuchazwe ngokuthi kwakukhishwa igazi elibi enganeni, ukuze ingalujahi ucansi phecelezi ukugcogca. Kuthiwa umhlanga iwona owawusetshenziswa ukuphehla ingane ezinqeni igazi elibi, lokhu kwakwenziwa abantu besifazane asebekhulile ingane isencane. Ingane uma yensiwe lokhu kwakuthatha isikhathi ukuba izimbandakanye nezindaba zocansi.

UBrindley, (1982:64) uqhuba uthi:

The old woman syringes the child with medicine and before this fluid is expelled induces rectal bleeding (ukunconca/ukugweba) by inserting the knotted grass-stalk in its rectum and twirling it (ukuphehla). The medicine and blood are dispelled together, the aim being to lessen the sexual instinct by removing hot blood which would encourage the boy or girl to become too hot or fast with the opposite sex.

Umama omdala uyena ophehla ingane ngomuthi ofakwe ohlangeni ukukhipha igazi elibi. Umuthi negazi kuolangane ndawonye inhloso ukwehlisa ukulangazelela ucansi ngokukhipha igazi elishisayo okungakhuthaza ukufuna ubulili obuhlukile kobakho.

2.3.3 Ukuxoxwa Kwezinganekwane Nomlando

Ukuxoxwa kwezinganekwane kwakungenziwela ukuchitha isikhathi kodwa kwakunenhloso enku. Lesi kwakuyisikole lapho izingane zaziqeqeshwa khona zifunde ukulalela nokuxoxa izindaba. Ukuxoxwa kwezinganekwane kwakwenziwa ngekhono elithile ukuze izingane zingakhohlwa. Yayingabibikho inganekwane engenaso isifundo esithize esitholakalayo. Lokhu kwakwenza ukuba izingane zikwazi ukuhlukanisa okuhle nokubi. Izingane zazikhula zazi ukuthi yikuphi okumele zikwenze futhi yikuphi okungamele zikwenze. Ngakho zazikhula ziqequeshekile ezintweni eziningi futhi zakhekha kokuningi.

Ukuxoxwa kwezinganekwane nomlando ngomunye wemisebenzi eyayenziwa abantu besifazane okuyindlela enhle eyayenziwa ukukhulisa izingane. Abantu besifazane abadala babefundisa izingane ngokuzixoxela izinganekwane. Phela lokhu kuxoxa kwakwenziwa uma sekuzolalwa ukwenzela ukuthi imisebenzi yosuku ingaphazamiseki.

Nalokhu uBrindley, (1982:71) uyakuchaza kanje:

Folktales and lineage history: The fact that the old woman and young child live together helps to engender mutual concern and affection that makes ugogo the most loved. In this environment "it is natural for an old woman to tell the children folktales to develop their minds. The younger woman may tell such stories but ugogo excels. The old age persists that such tales should be told at right when everyone is present, for if folktales are related in the day the narrator will grow horns. However most people, including the aged, no longer adhere to this belief: they point out those school children are expected to relate folktales told them by their grandmothers at any time during the school hours, and do so without coming to harm.

Izinganekwane nokuncika emlandweni emandulo kwakukhona. Ukusondelana phakathi kogogo nezingane kwakukukhulu kakhulu. Akekho umuntu owayethandwa njengogogo ekhaya ngenxa yekhono ayenalo lokuxoxa izinganekwane. Kwakuthiwa akumele zixoxwe emini izinganekwane ngoba lowo oxoxayo wayezomila izimpondo. Lokhu kwakungesilona iquiniso kodwa kwakukhuthaza izingane ukuba zenze kuqala yonke imisebenzi bese kuba ima kuxoxwa izinganekwane. Izinganekwane zikhulisa ingane ngokomqondo futhi zenza ukuthi ingane iqaphele lapho yenza izinto, ingazifaki ezingozini ngoba izinganekwane zinesifundo. Izingane zazithola lolu hlobo lwemfundo emakhaya, enezelela kulokhu ezazi kufunda ezikoleni.

2.3.4 Ukuqeleshwa Kwezingane

Kudala kubonakala sengathi abantu besifazane ibona ababebambe iqhaza elikhulu ekufundiseni izingane, engakagqamiswa amaLungelo, babevele benawo amaLungelo abo.

UBrindley, (1982:73) Uthi:

The old Zulu woman invariably considers her most important contribution to the young to be that of educator : I am the one who gives advice, and I teach by sending children on errands, showing them things, and telling them what to do. I speak and I am listened to. I am the key of the home although old women take particular care in rearing the first born child because a pattern is set for those that follow, daughters-in -law are also considered as children and fall under the authority of their mothers-in -law they are constantly advised on methods of child rearing and their behavior is monitored by the old woman who, for instance, may see to it that on entering the doorway the umakoti crawls on bended knee.

Umntu omdala besifazane babethathwa njengabafundisi emakhaya njengokukhombisa izingane, imisebenzi yasemakhaya yonke. Babekhuluma belalelwa uma bekhuluma. Ukuziphatha kwezingane kanye nokukhulisa kwazo ngezindlela ezahlukene. Izingane zamantombazane zazifundiswa ukugaya, ukupheka, ukutheza, ukusika utshani kanye nokweluka amacansi. Umakoti wayefundiswa omama abadala ukuthi kufanele aziphathe kanjani emzini njengokuguqa ngamadolo uma engena endlini. Lokhu kwakuhambisana nenloniphlo nesizotha okufanele umakoti abe naso emzini.

UBrindley, (1982:74) ukuchaza kanje:

Mothers are respected as teachers of children. However, because the mother is preoccupied with chores, the grandmother assumes great significance in enculturating the child. She teaches growing girls to grind, cook, fetch wood, flood, weed, cut grass, make mats, thatch and present food respectfully.

Omama bahlonishwa njengabafundisi bezingane nakuba, omama babebuye babematasatasa ogogo yibona ababebambe iqhaza elikhulu ekufundiseni amasiko ezinganeni.

2.3.5 Ukukhuliswa Kwentombazane (Ukuthomba)

UBrindley, (1982:82) uqhuba ngokuthi:

(The passage of the first discharge was now in use. The grandmother and post-pubescent girls who had lovers (amaqhikiza) were responsible for organising the activities centering on the girl. Attainment of the menarche. The old woman was in charge because she was considered reliable and not prone to witchcraft. A menses girl or woman was considered particularly vulnerable for should a person steal some of the menstrual blood or the chyme of the goat slaughtered to honour the occasion, it was believed that the girl might not bear children or will be the victim of some other misfortune.

Ukungena kwentombazane esikhathini okokuqala kwakudinga ogogo kanye namaqhikiza ukuze bayifundise ngalokho okumele ikwenze. Kwakuba khona umcimbi walokhu owenganyelwe ogogo namaqhikiza. Umuntu omdala ekhaya uyena owayengamele konke ngoba wayethenjwa ekubhekeni ubuthakathi. Umhlwehlwe wembazi kanye nalokho okwakusetshenzisa intombazane okunegazi kwakugadwa ngoba kwakunenkolelo yokuthi uma umthakathi ekutshontsha intombazane yayingeyikuzithola izingane noma ibe namabhadi.

Ngalesi sikhathi intombazane yayisuke isikhulile isingaqoma ikhombe isoka ezishelini zayo. Amaqhikiza ayesondela eduze kwentombazane ukuyixwayisa ngezinto ezinobungozi. Kuningi intombazane eyayifundiswa ngakho njengokuziphatha izihloniphe uma isifisa ukuqoma, ayesuke ekhona amaqhikiza ayitshela ukuthi kumele ikhulume kanjani nezesheli uma kukhona esimbonile emthandayo phakathi kwezesheli, yayazisa amaqhikiza ukuze lingenzeki ihlazo konke kuqhubeke ngesiko elifanele.

2.3.6 Izinguquko Nokugqama Kwazo

Izinguquko yinto eyenzeka kancane kancane kunganakiwe. Ukushintsha kwemikhuba yesizwe kanye namasiko kwenzeka abantu bengazelele ngoba basuke bejabulela izinguquko nenkululeko yentando yeningi. Ukuguquka kwendlela okwenziwa ngayo amasiko kudale ukudideka abantu sebenake kakhulu inkululeko nezinguquko zayo kanti kungalesi sikhathi sekulahleka okuningi mayelana namasiko. Iningi labantu libone izinguquko ziyyintuthuko langabheka ukuthi zinamthelela muni entsheni

esakhulayo mayelana nokuziphatha. UKhomishana wamaLungelo emuva konyaka we-1994 ube esecwaninga izinto eziningi ezenziwa esizweni samaZulu njengesiko lokuhlolwa kwezintombi.

Izindawo ngezindawo kuye ngokuya kwashintsha futhi ashabalala amasiko nemikhuba yokukhulisa kwezingane ikakhulukazi ezamantombazane. Amasiko kanye nemikhuba yamaZulu kwakubonakala kusiza kakhulu ekuziphatheni kwentsha. Intuthuko nempucuko yakuqeda kancane kancane lokhu kakhulu ezindaweni ezingamadolobha kanye nalezo ezase zihlala amakholwa zenganyelwe inkolo yaseNtshonalanga. Nakuba ezindaweni zasemakhaya kwakusaqhutshwa lokhu, kodwa kwabe sekubukelwa phansi ngenxa yokuthi imindeni eminingi yayisikhola futhi isifundile. Ukwenza isiko kwakubizwa ngobuqaba nabantu bebizwa ngamabhinca ababebhinca izidwaba namabheshu bese befaka iziqhaza ezindlebeni bekleklile.

Kuthe emuva konyaka we-1994 kwagqama kakhulu ngoba abantu baqala ukwaziswa ngamaLungelo, abesifazane kanye nezingane. Kwaqala kwabakhona uSomqulu wamaLungelo abantu ususelwa kuMthethosisekelo. Ashicilelwu phansi kumthetho sisekelo waseNingizimu Afrika sekubusa intando yeningi (Act 108:1996) lapho kwaqalwa kwabhekisiswa okuningi mayelana namaLungelo abesifazane kanye nezingane njengokuphathwa kwabo nokubakhulula emthethweni yobandlululo. Ongoti abanigi baphawula kakhulu begcizelela ukubaluleka kwamaLungelo. Babebe ka ngengcindezelo eyayikade iphezu kwabesifazane kanye nezingane ngesikhathi sobandlululo. Abanye bayizithakasela lezi zinguquko kodwa abanye bazihlabu ngokubona umthelela wazo.

2.3.7 UMthetho WamaLungelo Abesifazane Emuva Konyaka we-1994

Kuze kube manje kubonakala sengathi ukuphathwa kwabantu besifazane akukagculisi. Izibalo zibukeka zilokhu zibikwa emaphephandabeni zezigameko ezimayelana nokuhlukunyezwa kwabantu besifazane. Lokhu kubonakala kuqhube ka kakhulu kulabo abathandanayo kanye nalabo abaganene. Iningi labantu besifazane kusolakala ukuthi alizibiki izehlakalo zokuhlukunyezwa kwalo ngoba basuke besaba besabela izimpilo zabo. Amanye amantombazane amancane kunezinkomba zokuthi ayathula afihle

ukuthi ayahlukunyezwa ngoba abahlukumezi basuke beseduze nabo futhi kungamalunga eminden. Lapha sibala abantu abangabazali, omalume, abafowabo kanye namalunga omphakathi jikelele. Lokhu kubonakala sekwaba insakavukelwa umchilo wesidwaba kodwa akubikwa ndawo ngenxa yokwesaba.

Kunezinsolo zokuthi uHulumeni akenzi okwanele ukuvikela abesifazane abasuke sebelubikile udaba emaphoyiseni. Kuvela ezindabeni nasemaphephandabeni izehlakalo zokubulawa nokusatshiswa kwabantu besifazane, bangabe besakhululeka abanye bagcine sebebaleka nasemakhaya ngoba bengasaphephile neminden yabo. Kubonakala sengathi abenzi bokubi abasitholi isijeziso esanele ngaleylo ndlela basheshe baphume emajele bese bebabulala labo abababophisile. Abesifazane abahlukunyezwayo bakhetha ukuthula bangabiki emaphoyiseni nakwabezenhlalakahle. Kube sekuelo imibiko ethi izibalo zokuhlukunyezwa kwabesifazane nezingane seyehlile kube kungesilona iqiniso.

Kubukeka sengathi izenzo eziningi ezimayelana nokuphathwa kwabantu besifazane emuva konyaka we-1994, kwadingeka ukuba zibuyekezwe futhi ziqiniswe ngesikhathi kubhalwa uSomqulu wamaLungelo abantu besifazane kanye nezingane. Umthetho waqala waqinisa nesigwebo sakhula kuzaphulamthetho.

Uma sicaphuna uMthethosisekelo (Act 108:1996) kuSomqulu wamaLungelo: 7 uthi:

Everyone is equal before the law and has the right to equal protection and benefit of the law. The state may not unfairly discriminate directly or indirectly against anyone on one or more grounds, including race, gender, sex, pregnancy, marital status ethnics or social origin, colour, sexual orientation, age, disability, religion conscience, belief, culture, language and birth.

Bonke abantu bayalingana phambi komthetho futhi banamaLungelo okuvikeleka ngokulingana baphinde babe nelungelo lokuhlomula emthethweni. Umbuso awunawo amandla okuphatha abantu ngendlela ebandlululayo ngokusobala noma ngokungaqondile noma ngabe ngayiphi

indlela kumbandakanye ubuzwe, ubulili ukukhulelwa, ukugana, ukungagani, ibala, indabuko yesizwe, ukuzijabulisa ngocansi, inkolo, ukukhubazeka, inkolelo, isiko ulimi kanye nokuzala. Kuvelile ukuthi amaLungelo abantu besifazane abekade enganakiwe ngesikhathi sobandlulo.

Isigatshana esibizwa nge Women's Right-Constitutional Court of South Africa, (2009:11-13) sibeka kanje:

Black women were obviously doubly disadvantaged as a result of their race and their gender. The law, in various forms has had a significant role in this prejudice.

Abesifazane abansundu ababenganamathuba ngenxa yebala nangenxa yobulili babo.

Umthetho ngezindlela ezahlukene wawuneqhaza elikhulu kulokhu, ekwahluleleni abantu besifazane. Kubonakala sengathi kuliqiniso lokhu ngoba abantu besifazane kunezinto ebebengakwazi ukuzenza nokuba nelungelo lobunikazi bazo ngenxa yomthetho, ubulili kanye nebala labo.

I Women`s Right-Constitutional Court of South Africa, (2009:11-13) ikuchaza kanjena:

Nowadays women, and black women in particular, are still economically disadvantaged. They make up a disproportionate section of the unemployed and tend to occupy more of the lower-paid jobs, as domestic and farm labourers. And they often earn less than men for the same tasks.

Kule mihla esiphila kuyo abesifazane basancishekile amathuba kwezomnotho, abaqasheki iningi labo baze bagcine sebesebenza imisebenzi ebaholela amaholo aphansi, basebenza imisebenzi yasezindlini kanye namasimu. Bahola kancane kunabesilisa yize benza imisebenzi efanayo.

Ukuqedwa kwale mithetho kubonakala sengathi kuzosiza kakhulu abantu besifazane bazizwe behkululekile njengabantu besilisa. Kuningi okubonakala sengathi kuzovela ngabantu besifazane njengasekwabiweni kwamafa obekubukeka kucheme kakhulu nabantu besilisa.

Udlame lwasekhaya (The domestic violence act of 1998)

Women`s Right-Constitutional Court of South Africa iluchaza kanjena:

The act recognises that domestic violence is not a private matter but is a serious crime against society. The legislation broadens the definition of domestic violence, to include not only married women and children, but unmarried women who are involved in relationships or living with their partners, people in same sex relationships mothers and their sons, and who share a living space.

Umthetho ubona udlame lwasekhaya lungafanele lube yimfihlo kodwa libe wukwephula umthetho emphakathini. Umthetho uveza udlame lwasekhaya njengoluvulekile, alumbandakanyi abashadile nezingane kuphela kodwa wonke umuntu osebuldelewaneni nohlala nalowo azwana naye. Kungaba ubulili obufanayo, kube omama namadodana kanye nalabo bantu abahlala ndawonye

Lokhu kubonakala sengathi kugqame kakhulu ngenxa yezinga lokubikwa emaphephandabeni kanye nasemisakazweni lezehlakalo elenyuke ngesikhulu isivinini lokuhlukunyezwa kwabantu besifazane kanye nezingane. Izehlakalo zokubulawa kwabantu besifazane kanye nokunukubezwa kwezingane kwesinye isikhathi zigcine ngokubulawa, kwenze ukuba abantu besifazane nezingane babe nemithetho ebavikelayo. Lokhu kwenze abesilisa bazithola bengasenawo amandla okwenza noma yini noma kanjani kubantu besifazane nezingane. Isigwebo naso sokweqa umthetho saqiniswa, ngaleyondlela lehla izinga lodlame nelokunukukubeza.

Isigatshana esithi Women's Right and equality briefing (2008:09) kuchazwa ngokuthi:

This commitment came in the shape of the convention to eliminate all forms of discrimination against woman (CEDAW) which was adopted by the UN general assembly in 1979. CEDAW has been described as a bill of right for women, experience discrimination and commits countries to amend their laws, construct national gender policies and create institutions to deliver them.

Ukuzibophezela okwensiwa inhlango yalabo abalwisana nazo zonke izinhlobo zokucwasa abesifazane; kwensiwa izindawo lapho abesifazane becindezelekile futhi kuphoqwe amazwe ukuthi abuyekeze imithetho yawo. Kwakhiwe imithetho yobulili besifazane ezeni kwaphinda kwakhiwa umthethosisekelo yokudlulisela yonke le mithetho kuzo zonke izindawo. Lokhu kuzinikela ekuqedeni ubandlululo kwabesifazane kwavunyelwana ngakho nenhlango yezizwe ngowe-1979 kuSomqulu wamaLungelo abesifazane abahlukunyezwe ubandlululo kanye nokuzinikela kwamazwe

ekuchibiyeleni imithetho yezwe mayelana nobulili nokudlulisewa kwayo kubantu.

Umhlaba wonke abantu besifazane basukuma babamba imihlangano noma iziqungquthela emayelana namaLungelo abo njengalona owabanjwa eBeijing ngenyanga kaMfumfu ngonyaka we - 1995. Kwakungaqali lapha kusukela ngesikhathi sobandlululo abesifazane bangaleso sikhathi okuyizingqalabutho omama uLilian Ngoyi, Helen Joseph nabanye. Bayibamba ishisa belwela ukuphatha amapasi kanti futhi lokho kulwa kwabo kwaba yimpumelelo, kusukela bebhikishile ngonyaka we-1956. Lolu suku lwaba ingqophamlando eNingizimu yonke kuze kube namuhla siyalugubha lolu suku.

Kuhambe kwahamba kwagcina sengathi sekugqama ukuthi uMthetho wamaLungelo unokushayisana namasiko esizwe samaZulu. Lokhu sikubone kugqama njengento engasemukeleki kahle kwabanye abantu abangamaZulu. Uma kulalelwu imisakazo kuba nezinhlelo lapho kudingidwa khona lokhu kungaboni ngaso linye. Ohlelweni “Sikhanyisele olwethulwa njalo oKhozini ngeMigqibelo, kuke kwaba khona isihloko esimayelana nayo le nkinga yamaLungelo abesifazane ikakhulukazi amantombazane. Lolu hlelo lushayelwa umsakazi uMusa Shabalala, isihloko okwakukhulunywa ngaso sithi: “Ukuholwa Kwezintombi Nomhlanga”.

Izimenya ebezikhona uNhlanhla Cele ongumelaphi wendabuko, uMfanuzelwe Shozi wekhomishana yobulili ophethe uMthethosisekelo kanye nomama uNomagugu Ngobese obhekene nokuhlolwa kwezintombi emhlangeni emzini weSilo eNyokeni. Lolu hlelo lwethulwa zingama-26 kuMandulo ngonyaka wezi-2009. Kwakukuningi ukuphawula okwavelayo. UMfanuzelwe Shozi weKhomishana wabeka kanjena:

Sibheka izinto ezingahambisani nobulungiswa. Isithunzi somuntu wesifazane siyathunazeka ilungelo lakhe umuntu wesifazane ukwenza izinto zakhe zangasese. Lokhu kuhlolwa kwamantombazane kuwukucwasa ngobulili ngoba abantu besifazane abenza lokhu.

Lapha ngenhla uMnumuzane uShozi ugcizelele ukuthi umelene naleli siko lokuhlolwa kwezintombi esizweni samaZulu. Ngokusho kukaMnumzane uShozi sebebaningi

abantu besifazane asebekhonondile ngokuhlolwa ukuthi kuyabahlukumeza. Amanye amantombazane ngokusho kuka Mnumzane uShozi uthena amantombazane awayi emhlangeni ngokuthanda kodwa ayaphoqwa. ODokotela uma eqhubeka echaza uMnumzane uShozi uthi bathi kukhona abesifazane abazalwa bengenalo iso leli elibhekwayo ngokwendalo. Esekvezile uMnumuzane Shozi ukuthi abesifazane abafani izitho zabo zangasese ngendlela ezakheke ngayo ngakho lokhu kuhlolwa kudala inkinga enkulu.

UNomagugu Ngobese Uphawule ngokuthi ukungenelela esithweni sangasese somuntu wesifazane kuyimvelo. Lokhu ukubheka ngisho emfuyweni ukubaluleka kobulili uma kuzele inkomo kubhekwa ukuthi iduna noma isithole. Ukuzaela emakhaya ngokusho kukaNomagugu kudalwa kakhulu amaLungelo. Uqhube ngokuthi isiko alinamngcele yingakho kudingeka ukubambisana ngokukhulelwa kwamantombazane nangokukhulelisa kwamantombazane.

UNomagugu waphawula wathi:

Sihlola ngokwenkolo yesintu hhayi ngolwazi lwaseNtshonalanga.
Ukuhlolwa kwezintombi akucelwa ngoba izingane zizalela thina futhi zigulela thina.

UNomagugu uchaze ukuthi kunobugebengu bezintombi ezingezona izintombi kodwa uthi uyaqinisa ukuthi ngeke kumiwe ngabo. Lobu bugebengu buzoqedwa futhi nomama bayaqeqeshwa ukuthi kufanele bahlole kanjani. Ukugwazela omama kuzophenywa, kuphawula uNomagugu, ukuphawulile ukuthi ukugwazela omama kuyinto embi lapho kwensiwa khona ngoba yena akakwenzi. Uqhubeke wachaza uthi abantu abasuke bezigayela imali futhi yinto angayincomi nakancane.

UMnumzane uCele omele abelaphi bendabuko uphawule ngokuthi:

Isiko ngeke lasuswa izifikanamthwalo ngoba lidala lisukela kokhokho. UMnumzane uCele uyakuveza ukuthi zikhona izintombi nto ekuhlolweni futhi zikhona ezingasezona

izintombi nto. Uthi lokhu kwensiwa emakhaya noma kwezinye izigodi omama bezigayela imali ngokudayisa izitifketi. Uphawula ngokuthi uMnumzane uCele yikho lokhu okuthunaza leli siko elihle lokuhlolwa kwezintombi.

UMnumzane uShozi uphawule ukuthi ziningi izehlakalo ezibikwayo zokudlwengulwa kwamantombazane uthi lokhu kudalwa yikho ukuhlola kwezintombi futhi noHulumeni unalo ulwazi lwalokhu. Waveza nanokuthi njengoba kuza umqhudelwano weNdebe Yomhlabu kunamantombazane azosetshenziswa ukudayisa ngemizimba (2010 FIFA WORLD CUP). Waqhuba wathi:

Nesiko lamaXhosa lokusokwa kuyakhulunya ngalo kwezinye iziteshi, ngakho-ke akuchenyiwe. Ummumzane uShozi wathi: Akukho emthethweni ukuhlola izingane ezingaphansi kweminyaka eyi-9. Wathi abafana bayazibona lezi zintombi futhi uma sebeganwa bathatha zona bona bebe bekade bengaziphethe kahle. Waphawula ngokuhushulwa kwezisu ukuthi akusiyona into entsha kwakuvele kukhona kudala, kuphela bona bakwenza kuphephe, uma umuntu edlwenguliwe noma ingane ibonakala ukuthi ngeke iphile ngesimo eyiso ingakazalwa.

UMnumzane uShozi wakubeka kwacaca ukuthi ungubaba unabantwana futhi bakhona nabamantombazane uthi izikole ziyafundisa kakhulu ngokuziphatha kukhona ngisho isifundo esiqondene ngqo nokuziphatha (Life Orientation). Uyakucacisa ukuthi izikole zinendima enkulu eziyidlalayo ngokufundisa abantwana ukuziphatha uthi unomndeni futhi naye unabazali, akafisi ukukhulisa izingane zakhe ngaleli siko lokuhlolwa kwezintombi.

Ngomhla zingama-28 enyangeni kaNdasa ngowezi-2012, uKhozi F M okungumsakazo osakazela iningi labantu eNingizimu Afrika wethula uhlelo olwalukhuluma ngamaLungelo okudayisa ngomzimba kubantu besifazane. Kubabhali akekho oseke wacwaninga kabanzi ngomthelela woMthetho wamaLungelo emasikweni aqondene nabantu besifazane nezingane. Sithole okunye ukuphawula ngomunye owenza ucwaningo olunzulu ngamasiko ahlukumeza abantu besifazane abangamaZulu. UManyathi, uchaze isiko (2010:30) ngokuthi:

Umuntu ongenalo isiko akanto yalutho uyikhasi lingqwabaqgqwaba kanye nesilahlwanaboya. Isidalwa esingumuntu siphila ngokuphuza emfuleni wesiko, silime ensimini yesiko, sipheke ebhodweni lesiko, siphake

ezithebeni zesiko, sidle ogqokweni lwesiko. Isiko lisifundisa ukuthi yini edliwayo nengadliwa, egqokwayo nengaggokwa, ekhulunywayo nengakhulunywa naleyo eyenziwayo nengenziwa.

Sicaciseleke ngokusobala manje ngamasiko ukuthi yiwona achaza umuntu ngakho konke. Lokhu kusivikela ngokusobala ukuthi ukuze umuntu abizwe ngokuthi unguZulu kusuke kubhekwe ukuthi ulimi olukhulunywayo, ukudla okudliwayo, izinto ezigqokwayo kanye nayoyonke imicimbi eyenziwayo, isho isiko lomunntu. Njengesizwe samaZulu kumele sazi ukuthi sibhekana kanjani nezinguquko zikaHulumeni eziphambana namasiko ethu njengesizwe. Kuhle ukujeqeza emuva uma sifuna ukuya phambili ngokuhlakanipha. Isiko lidala nasendulo ngesikhathi kufika uJesu emhlabeni, wawenza onke amasiko akwaJuda. Ukusokwa kukaJesu okutholakala encwadini ngokuka Luka wesi -2 ivesi lama -21 elithi:

Kwathi seziphelile izinsuku eziyisishiyagalimbili zokuba umntwana asokwe, igama lakhe lathiwa uJesu, elaliqanjiwe yingelose, engakathatshathwa esiswini.

3.2. Ukuhlaziya Okuphawulwa Ngababhali

Ababhali abanangi kanye nezincithabucopho ezahlukene, akukho esezikubhalile mayelana noMthetho wamaLungelo uqhathaniswa namasiko. Yikho lokhu okususe ugqozi lokuba kube nesidingo sokuba umuntu ezwe izimvo zabantu. Ababhali abanangi bazikhulumela ngoMthetho wamaLungelo uzimele kanye namasiko ezimele odwa. Lokhu kusinika ukuthi ulwazi oluqoqwe ababhali aluvezi lutho ngomthelela osudalwe uMthetho wamaLungelo ekuqedeni amasiko abesifazane nezingane. Kunethembalokuthi ukuphawula okuqondile ngalesi sihloko kuzotholakala kabantu ababuziwe.

UBriendley, (1982:70) usichazela kabanzi ngokukhuliswa kwengane kusukela izelwe namasiko esiZulu enziwayo kuyo. Usibekele konke kuze kufike lapho esekhula khona owentombazane esebe yintombi. Ugcina esenzelwa amasiko okugana uma esephumile ebuntombini esengeniswa ebufazini. Kuwona onke amazinga okukhuliswa kwezingane

sithole ukuthi, umuntu wesifazazane owayedlala indawo yokuqequesha izingane futhi ehlonishwa elalelwa.

Abaningi ababhalu abafana noMubangizi baphawule ngamaLungelo abesifazane abebencishwa wona ngesikhathi sobandlululo lokhu okugqanyiswe uMthethosisekelo wezwe laseNingizimu Afrika kanye nombhalo obizwa nge Women's Right Constitutional Court of South Africa. Lapha kukhulunywa ngamaLungelo abesifazane nabantwana kakhulukazi esiwacubungulayo njengoba eseshicilelwu phansi. Lapha kucaciswa ukuthi abantu besifazane bebehlukumezekile phambilini ngenxa yokuthi amaLungelo abo ebengabhekelekile ngendlela efanele. Le mibhalo iyavumelana ngamaLungelo abesifazane nezingane.

Abanye ababhalu baphawula ngokuthi ukwanda kwezifo ezingelapheki yikhona okube nomthelela omkhulu wokuvuselela leli siko lokuhlolwa kwezintombi njengengculazi. Ukufakazela lokhu sicaphuna abanye bababhalu abango Benedict, John no Jabulani encwadini yabo ethi: Zulu Identities Being Zulu Past and Present (1996:536).

In contemporary KwaZulu Natal the recent of virginity testing, (ukuhlolwa kwezintombi), emerges within a social framework shaped by a confluence of factors: the deadly toll in isiZulu-speaking households plagued by HIV/AIDS.

KwaZulu Natali ukuhlolwa kwezintombi njengamanje kubangelwe izinkinga ezisemphakathini eziningi ukufa kwamaZulu emindenini kudalwe ingculazi nesandulela ngculazi.

Lokhu okuphawulwa kule nkulomo engenhla sekudale ukwahlukana kwemishado ngemibono yeminden i ngempilo kanye nokuvuselela isiko lakwaZulu lokuvikela ukufa kwentsha emsulwa.

3.2.1 Ukubaluleka Kwabesifazane NgokoMthetho wamaLungelo

Kusukelo emandulo abantu besifazane babenakekelwa futhi behlonishwa. Zazingandile izehlakalo zokuhlunyezwa kwabo. Lapha kubhekwa abesifazane bamazinga ahlukene. Umuntu obetholakala ehlukumeza owesifazane ubeqondiswa izigwegwe kubone bonke

abantu. Abantu abadala njengo gogo bebephathwa kahle ngokudlulele ngoba kwakwaziwa ukuthi ukuphatha kahle umuntu omdala kuletha izibusiso. Abantu abadala bebephathiswa izimpahla uma kubonakala bethwele imithwalo. Abantu abancane bebeqikelela ukuthi babaphatha kahle abantu abadala kuzo zonke zonke izindawo. Isizwe samaZulu sona besihanba phambili kulokhu kwenza okuhle. Izingane zamantombazane zazigadwa ngeso lokhozi zihlale zisemehlweni abantu abadala njalo.

Kuyavela ukuthi ngaphambi kokumiswa koMthetho wamaLungelo kube nezinkinga eziholele ezelukanisweni zemishado njengoba bekungekho ukubhekela abesifazane ezintweni ezifana namafa nokunye. Kwesinye isikhathi bekwenzeka bangatholi lutho uma kwahlukaniswa, ngakho uHulumeni wentando yabantu kuSomqulu wamaLungelo ubhekeli kakhlulu uMthetho wamaLungelo abesifazane uPillemer nabanye bakubeka kucace encwadini yabo esihloko sithi: “ABC of Women’s Right in South Africa”, Make The Law Work For You, (1999: 58) babeka ngokuthi:

In the case of divorce, a woman must ensure that her rights to property are safeguarded. She must get legal advice. Legal advice is at times available for divorce. Legal aid can be applied for at the nearest legal aid office in the larger towns or at a magistrate court.

Esimweni sesehlukaniso owesifazane kumele aqinisekise ukuthi amalungelo ezinto ezinkulu avikelekile. Kufanele athole izeluleko kwabzemithetho. Umeluleki osemthethweni kwesinye isikhathi utholakala mahhala. Umeluleki umufakela isicelo emahhovisi ezomthetho aseduzane emadolobheni noma ezinkantolo zezimantshi.

Lapha sivezelwa ukuthi amalungelo omuntu wesifazane amsiza kuphi. Usizo olunhlobonhlobo lutholakala kuziphi izindawo, lokhu kwenzelwe ukusiza bonke abesifazane kungachenyiwe naluhlanga ukuthi amaLungelo awusizo kangakanani kubona. Bayakucacisa ukuthi abesifazane kumele bazi kabanzi ngokuvikeleka kwabo nezingane uma kwahlukaniswa. Abesifazane kumele bazi ukuthi bondliwa kanjani nezingane nokuthi ukondliwa kwabo kuyoqala nini. Lokhu kuthola ulwazi kuyiLungelo labo futhi kumele basifune isondlo uma umthetho izingane uzibuyisela kuyise, kufanele

azi ukuthi owesifazane uneLungelo lokuzibona phecelezi (right of access to them); bayakuveza nokuthi angakhululeka owesifazane ukuzivakashela naye futhi zikwazi ukumvakashela. Baqhuba ngokuthi owesifazane kumele naye aziswe ngokuqhubekayo mayelana nezingane. Kumele kodwa angaziphazamisi entuthukweni yazo.

UMthetho WamaLungelo Nokwabiwa Kwamafa

Kudala wawungagganyisiwe uMthetho wamaLungelo abesifazane, umuntu wesifazane wayengenaso isabelo emafeni uma engasekho umkhwenyana wakhe. Amafa omkhwenyana wakhe ayethathwa abafowabo bendoda, uma engabanga nayo indodana noma isencane kakhulu. Owesifazane wayengenalo izwi empahleni yomyeni wakhe ngoba yayigadwa abafowabo bendoda ikakhulukazi imfiuyo. Kwesinye isikhathi ifa lalithathwa indodana endala uma uyise eshone isikhulile. Asikho isinqumo ayekwazi ukusithatha mayelana nefo lomyeni wakhe kangangokuba naye wayengenwa omunye wamafowabo ozalweni.

Kuhambe kwahamba zashintsha izinto abesifazane bakwazi ukuthi bangamele amafa abayeni babo uma sebeshonile. Nakuba lokhu kusadala izinkinga emindenini eminingi abomndeni befuna ukuba kube yibona abangamelayo kodwa isikhathi esiningi sekuyaye kungenelele umthetho uma lowo ohambile ebenefa engalabanga ifa esaphila ngokomthetho. Ziningi izimpi ezsukayo uma eseshonile umnikazi wefa kubangwa ifa kwesinye isikhathi kuze khona abafanayo kulowo mbango. Kwesinye isikhathi kuze kuyiswane ezinkantolo kuxatshenwe kungasabhekwna. Esimweni lapho abafowabo bomufi besuke bebhekele indodana yomufi ngenxa yokuthi uyise usuke eyishiye isencane kuba inking uma isilifuna ifa likayise. Iminden ixbana ingabhekani ngenxa yefa elisuke lingabiwanga umnikazi walo esaphila.

Kulesi sikhathi samanje abantu bakhuthazwa ukuba balabe ifa besaphila ukugwema izinkinga uma eseshonile umuntu. Lokhu kwaba ifa kubonakala sengathi kusiza kakhulu ngoba akubibikho zingxabano zokubangwa kwefo ngoba umuntu nomuntu wamukela lokho asuke ekushiyelwe umnikazi wefa kungabikhona ukubanga. Ezinye izinkinga ngamafa abantu bayabulalana befuna ukudla ifa, nokwenza ukuthi

kungabikho ukuthembana wabaganeneyo. Ziningi izinkinga ezidalwa ukuba khona kwamafa emindenini eminingi. Ezinye izingane azibe zisafuna ukuyosebenza nokufunda uma abazali benefa bese zenza izindlela zokubabulala abazali bazo. Lokhu sekudale ukuba abantu babekele abanye imali yokubangcwaba uma beshona ngenhloso yokuthola imali.

Sekukhona nezinhlangano zabangcwabi ezahlukahlukene nezikhokhelwa izimali ezinkulu. Ngalokho iningi labantu libekela izihlobo zabo imali yokuzingcwaba ngenhloso yokuthola imali. Abantu abanangi sekunezinsolo zokuthi bayabulawa ngendlela engaqondakali kukhona abafuna ukuhlomula ngabo. Ziningi izigameko ezibikwayo komabonakude nasemsakazweni zenkohlakalo yalolu hlobo. Kukhona asebeboshiwe ngenxa yokumbandanyeka ezigamekweni zokubulala ngenhloso uma amaphoyisa esenze uphenyo.

Kukhona imishuwalense eminingi futhi ebizayo abantu abayithathile ukuze ukuze bathole izimali uma kukhona amalunga omndeni ashonayo. Eminye ikhokha kuze kufike ezigidini zemali uma sekuphele isikhathi esithile kukhokhwa. Lokhu kuya ngokuya kuba nemiphumela engemihle ngoba ukufa kwabantu kwensiwa ibhizinisi. Kunezigameko ezibikwayo zokulahleka kwamapasi abantu kuwo lo mkhonyovu bese kwensiwa izitifiketi zokuthi sebeshonile. Izitifiketi ezinye kubikwa ukuthi kusuke kungezomgunyathi. Lokhu sekuholele emibikweni evezwa abezindaba yokuthi kukhona asebeboshiwe futhi uphenyo luyaqhube ka kanti kunezinkomba zokuthi baningi nabanye abazoboshwa Kusolakala ukuthi abezenhlalakahle kanye nabanikazi bamakhaza abanye bayambandakanyeka kulokhu. Lokhu kubonakala kuyinto eqhubekayo kulabo abangakabanjwa kunjalo nje nezigameko zokufa kwabantu azehlile neze.

Zincane izibalo zokushona kwabantu ngokwendalo kodwa abanangi bayabulawa noma batholakale sebeshonile. Kubalulekile ukuthi abantu baqaphele izinto ezinjenga lezi noma kungekho okuningi abangakwenza. Ubugebengu budlangile kule miha okuphilwa kuyo nasemaphephabeni sezizingi izikhangisi zemishuwalense eziheha abantu ukuba bazithathe. Kuningi okubikwayo ngemikhonyovu enhlobonhlobo

kakhulu kuleli zwe laseNingizimu Afrika nokufaka iminyango kaHulumeni ezihlakalweni ezningi.

3.2.2 Izinhlobonhlobo Zokuhlukunyezwa

Abesifazane nezingane bathola ukuhlukunyezwa okuhlukene. Kubalwa ukuhlukunyezwa ngokomzimba, ukuhlukunyezwa ngokomphefumulo, ukuhlukunyezwa ngokwengqondo, ukuhlukunyezwa nangokwezimali kanye nokuhlukunyezwa ngokocansi. Lokhu kwenzeka emindenini, kwabesifazane nezingane. Abesifazane nezingane bahlukunyezwa nayizihlobo imvamisa umhlukumezi usuke enamandla kunomhlukunyezwa emndenini noma ezihlotsheni. Isikhathi esiningi baningi abesifazane abahlukunyezwayo kunabesilisa, lokhu kubonakala sengathi kudalwa ukuba namandla kwabesilisa ebudlelwaneni. Ngokuka Pillemeyer nabanye (1999:68) ocwaningweni lwabo kuvela ukuthi kwabesifazane abayisithupha oyedwa uyahlukunyezwa indoda yakhe noma yilowo athandana naye.

Ukuhlukunyezwa Kwabesifazane Amasoka Nabayeni Babo

Kusukela endulo abantu besifazane babeshaywa ngabayeni babo kungabi ndaba zalutho. Abesifazane babekubekezelela lokho bengakubiki ndawo ngoba kwakuthathwa njengento eyamukelekile emphakathini. Kwakuba isimo esinzima esasenza ukuba abaganile baze bamuke bebalekela emakubo. Lalithethwa lelo cala maqede umkhwenyana amthathe umkakhe ahambe naye sekuxolelwene. Kule mihla okuphilwa kuyo izehlakalo zokuhlukunyezwa ziyabikwa emaphiyiseni baboshwe labo abahlukumezayo.

Ukushaywa kowesifazane aze alimale icala elibi namhlanje ngoba oDokotela bayamhlola babone umonakalo ukuthi ungakanani nokuthi yini ephazamisekile emzimbeni wakhe. UMthetho udlala indawo yawo ekuvikeleni umuntu wesifazane. Konke lokhu kugqame kakhulu emuva kokugqanyiswa kwamaLungelo abesifazane. Nakuba umthetho uqinile kodwa namanje kusekhona izigameko zokuhlukunyezwa kwabesifazane baze bagcine ngokubulawa. Iningi liyabekezelu lingazibiki izehlakalo zokuhlukunyezwa ngoba lisuke lesaba ukubulawa abahlukumezi kuze kufike lapho ababulawa khona. Abanye banenkolelo yokuthi uma beshaywa yilabo abathandana

nabo basuke bekhombisa uthando. Abanye bayizinkubela ngenxa yokushaywa yilabo abathandana nabo. Kuyenzeka balimale ezindaweni ezibucayi njengasemehlweni bagcine bengasaboni, bengasakwazi ukuhamba. Kuyenzeka lokhu kugcine kufihliwe abomndeni ngoba bevikela owesilisa ukuthi angaboshwa. Kubalulekile ukuthi abantu besifazane bazivikele ekuhlukunyezwensi bangabekezeli ngoba bagcina sebefile kwesinye isikhathi bagcine bengatholakanga ababulali.

3.2.3 Ukuhlukunyezwani Kwabesifazane Emsebenzini

Ucwaningo luveza ukuthi baningi abantu besifazane abathola ukuhlukunyezwani ukuze bathole umsebenzi kodwa iningi labo alikuvezi lokhu ngoba lisuke lesabela izimpilo zalo. Ukuhlukunyezwani kufihliwa kakhulu ngoba kwesinye isikhathi abahlukunyezwani basuke beshadile bengafuni ukuba kwaziwe ngoba basuke bezophelela yimendo uma sekuzwakele kubayeni babo. Lokhu kuhlumezeka baphila nakho bavuke njalo beya emsebenzini isimo sinjalo. Abantu besifazane basuke bebekezelela ukuba bangaphelela umsebenzi futhi abanye bakwenza bengathandi kungukuthi bahluphekile. UPillemer kanye nabanye, (1999:68) baveza ukuthi ukukhangiswa nokuhlolela umsebenzi, akumele kuhambisane nokucwasa ngobulili. Bathi ngokwamaLungelo abesifazane nabo banamaLungelo alinganayo okuqashelwa umsebenzi othile. Kuthiwa uma lokhu kwenzeka kungafanele kumele kuthathelwe izinyathelo ezingala, baqhube bacacisa ngesenzangakhona phecelezi (Affirmative Action) yenzelwe abesifazane ukubhekana nesimo sokucindezeleka ngesikhathi sobandlululo. Abantu besifazane kumele bathathe indawo yabo ngaphandle ngokubheka amadoda.

Lapha kukhuthazwa kuphinde kuqwasiswe abantu besilisa ukuba baqaphele futhi bakuyeke ukucwasa ngobulili emsebenzini. Baqhube ngokuthi kumele kukhuthazwe ukubambisana ekusebenzeni ngezobuchwepheshi, ekuphathweni kwabantu kanye nasekuthathweni kwezinqumo. Kubhekwa ukuthuthukiswa kwabesifazane ngamakhono ahlukene. Kukhuthazwa ngemihlomulo enjengezindlu, ukuholela ngokulingana kanye nohlelo lwezempiro olufanayo. Ukusebenza izikhathi ezithile ezingeziwe. Kumele kubhekkelwe kwabesilisa nabesifazane.

3.2.4 Ezifweni Ezithathelanwayo

Abesifazane nezingane kuvela ukuthi basengcupheni enkulu ezifweni ezithathelanwayo. Ucwaningo luka Pillemer nabanye, (1999:69) luveza ukuthi abesilisa abanangi baphila negciwane lesandulela nculazi abangafuni ukuthi kwaziwe ukuthi banalo. Bakwenza lokhu ngoba basaba ukucwaseka ngenxa yesifo. Abanye kuvela ukuthi besaba ukuthi bazolahlekelwa imisebenzi uma sekwaziwa ukuthi banengciwane. Okubeka abesifazane engcupheni indlela abadalwe ngayo, kwesinye isikhathi benza ucansi olungaphephile. Abesifazane iningi labo abekho ezikhundleni, ingcosana ekhona esezikhundleni ezingalingani nezabesilisa.

3.2.5 Ukwanda Kokudlwengula

Ziningi izinkoleloze abantu abazishoyo uma sebebanjiwe bedlwengula njengokuthi basuke befuna ukuqedu igciwane lengculazi uma bedlwengula intombi nto noma umuntu ongakaze aye ocansini. Unyaka nonyaka ziyakhula izibalo zokudlwengulwa kwabantu besifazane kanye nezingane zamantombazane. UHulumeni womthetho wamalungelo uwulethele ukuqinisa ingalo yomthetho kulabo abambandanyekayo kulokhu. Bаниgi abesifazane asebethelelekile ngegciwane ngenxa yokudlwengulwa, abanye bagcine ngokushona. Abanye besifazane abababaluli abadlwenguli babo ngenxa yokwesabela izimpilo zabo, abadlwenguli bahlala nabo abanye badlwengulwa bephindelelwa bathule bengabamangaleli abadlwenguli. Kwesinye isikhathi kuba nezehlakalo zokuhlukunyezwa kwalabo abasuke bebophe izigebengu noma babulawe yizo uma seziphuma emajele. Ngakho kuningi ukungaphephi kubantu besifazane nezingane, abanye baze bathathe isinqumo sokuzibulala.

3.2.6 Ukungena Kwabesifazane Emshadweni

Ukugana kuqala kwakulawulwa indlela yokukhulisa nokuziphatha kwengane. Kudala esizweni samaZulu ukuqala kobuhlobo phakathi kobulili obahlukene kwakulawulwa amaqhikiza. Izintombi zazinamaqhikiza okuyiwona ayengabaxhumanisi ezintombi nezinsizwa. Ubuhlobo lobu babakhiwa kanzima kuthatha isikhathi eside iminyaka ngeminyaka. Kwakuba namazinga okudlulwa kuwo njengokuvumelana kwentombi nensizwa ngothando. Ukuqoma kwakwensiwa udede kwaziwe isigodi sonke ukuthi intombi yakwabani isikhombe insizwa yakwabani. Kwakubakhona umgido lapho izintombi zihambisa khona impahla kubo kwesoka, intombi yayisuke iphethe ukudla njengezinkwa, amakhekhe, oswidi, indishi yokugeza isoka, nethawula kanye nocu.

Ukufika kwazo izintombi kwakusuke kwaziwa kubo kwesoka kungalalwa zilindiwe izintombi kwakuba igidigidi ukufika kwazo, kukikizwa, kushaywa amathini, kujatshulwa. Kwakumiswa iduku phakathi negceke eliyinkomba yokuthi intombi iqomile ngokusemthethweni. Lokhu kwakwenzelwa ukuthi nezesheli zayo zidede kuyo ukuze kungabe kusaqhutshewa nokubanga. Kwakuqoma kuphela intombi esekulungele ngoba nayo isidlulile ezigabeni ezithile ivumelene neqhikiza layo. Izimbangi zazibakhona noma intombi isiqomile ingakho kuze kube khona isaga esithi oseyishayile akakayosi, oseyosile akakayidli, noseyidlile udle icala. Lokhu kwakushiwo izinsizwa zikhombisa ukuthi azipheli mandla.

3.2.7 Ukulobola

Isiko leli elenziwa isizwe samaZulu kakhulu kanye nezinye izizwe zase-Afrika. Ilobolo izinkomo noma imali ngesikhathi sakule mihra ekhokhwa owesilisa kubo kwentombazane, okuyizinkomba zokuthi ufunu ukuganwa. Kudala abanumzane besafuyile kwakukhokhwa izinkomo eziyishumi nanye uma kuyingane yomuntu phaqa. Le nkomo yeshumi nanye kuthiya ekanina yokumbonga ngeqhaza alibambil ekukhuliseni intombazane. Le nkomo ingenye yezinkomo ezibalulekile elobolweni ngoba intombazane uma kwakutholakala ukuthi kayisagcwele yayibuya futhi kube elikhulu ihlazo kubo kwayo. Izintombi zazihlolwa kwakungandile lokhu.

Izinkomo zamalobolo zibizwa ngamabheka. Izinkomo lezi zihanjiswa abakhongi kubo kwentombi. Abakhongi kuba amadoda aseqinile aqokwa ngokuxoxisana abomndeni kubo kwensizwa. Kukhethwa abantu abanekhona lokubeka indaba abangamaciko okukhuluma. Lokhu kwenzelwa ukuthi ubuhlobo bakhiwe kahle ngobunono kungekho ukuxabana nokungaboni ngaso linye. Kuyothi sekuqedie ukulobola kubizwa izibizo. Izibizo izimpahla ezikhishwa kubo kwensizwa, ezinjengebhodwe, umshini wokuthunga, isigqoko sikababa nejazi.

Ngesikhathi kulotsholwa kusuke kwakhiwa ubuhlobo phakathi kweminden emibili. Ngakho akudingeki ekubizeni nasekwenzeni konke kungabibikho ubuntu. Omunye wababhali ucwaninge ngamasiko abesifazane ahlukomezayo ukuchaze kanjena ukulobola: uManyathi, (2010: 2)

Ilobolo yizinkomo eziphuma kumkhwenyana ezinika umukhwe. Lapha kusuke kwakhiwa ubuhlobo. Lezi zinkomo kubuye kuthiwe ngamabheka.

Kusobala ukuthi uma kukhulunya ngelobolo kusuke kungathengwa muntu kodwa indlela eyisiko yokuqinisa ubuhlobo nobudlelwane. Iminden yomibili isuke isizobambisana kukho konke okwenzakalayo ebuhleni nasebubini. Lobu buhlobo abugcini emindenini ephilayo ngisho nezinyanya imbala nazo zakha ubuhlobo obusuke sebuqaliwe.

Ubuhlobo obuthinta amadlozi bugqama kahle uma le minden isiyendiselana, lapho intombazana isikhishwa kubo ngehubo lakwabo kushiswe impepho kubikelwe izinyanya ukuthi isiyahamba ingane isiyokwakha umuzi wayo. Naphambili ifika yamukelwe ngendlela efanayo isifikwa edlozini lalapho yendela khona. Intombazane ithelwa ngenyongo emzini okuyisiko lokuyemukela. Kubizwa amadlozi akhona ibikwe bawanxuse ukuba ayamukele aphinde ayivikele kukho konke. Lokhu kwenzelwa ukuthi amadlozi azi ukuthi isingeyalapho ekhaya. Lena indlela esemthethweni yesintu yokunikela umakoti kukho konke okungaba izinkinga emndenini njengokungabatholi abantwana.

Ngesikhathi kugcagcwā intombazane egcagcayo yenzelwa imbuzi ebizwa ngokuthi uphaphē. Le mbuzi ihlatshwa lingakafiki usuku lomgcagco. Idliwe iphele. Le mbuzi eyokubika intombazane ukuthi isiyahamba ekhaya isiyoba eyakomunye umuzi impilo yayo yonke. Sekusondele izinsuku zomgcagco intombazane ihambela izihlobo zayo izibikela ukuthi isizokwanda. Lolu hambo lubizwa ngokuthi ukucimela. Izihlobo ziyaye ziyivalelise ngokuyipha izimpahla ezinhlobonhlobo.

Ukucimelisa intombazane kusukwe kushiwo ukuthi ihambe kahle futhi iziphathe kahle emzini, iwubambe uqine umendo wayo. Ukubuya kwentombazane isuke isizogoya, isilungise konke okumaqondana nomgcagco. Intombazane iyazotha ihloniphe ezinsukwini lapho sekusondele umgcagco wayo. Ngesonto lokugcina ayibe isanyakaza ihlala ekhaya endlini yangenhla nezimpelesi zayo ziyelekelela ngakho konke ekudingayo. Yembatha ingubo ihlale ensikeni yendlu, uma ingekho maqondana nalapho ngaseziko.

Nalapho kusuke kusaqhutshwa lona usiko lokuziphatha kwentombazane isilungiselela ukungena ebufazini. Kusuke kulungiswa ngapha nangapha kuphekwa utshwala, kushanelwa amabala kucakwa nezindlu zifulelwé ezinye. Onke amalungiselelo lawa kusuke kungamalungiselelo okwenda nokwendelwa asuke esefike ekugcineni. Ukulobola kuze kufike emgcagcweni kuhamba ibanga elide elidinga isineke nokubekezelā.

3.2.8 Izinguquko Esezikhona Mayelana Nesiko Lokulobola

Okuningi mayelana nokuqhutshwa kwesiko lokulobola sekushintshile. Izinguquko zidalwe indlela osekuphilwa ngayo. Kule mihla abanumzane asebefuyile, imfuyo kayisekho ngakho ke sekulotsholwa ngemali nje kuphela kubantu abaningi. Lokhu kudalwa ukuthi abantu abaningi sebeyasebenza asisekho isikhathi sokufuya kanti futhi nayo imfuyo kayisekho izibaya sezamila imbuya emizini eminingi.

Imali kayisafani nezinkomo imali isiyenza kubize kumbe eqolo ukulobola. Abanumzane abaningi bahlezi nazo izingane zabo imendo kayisekho. Sekuyivela

kancane ukuzwa ukuthi kunoMgcagco endaweni ethile. Abazali sebeliphendule ibhizinisi ilobolo ngendlela esekubizwa ngayo. Abanye bayaqala kodwa bahluleke endleleni ingasekho imali, kungakho abantu abanangi bengasendi begugela emakhaya.

Imfundu kubantu besifazane yenza ilobolo labiza kakhulu ngoba abanumzane sebebala nezindleko zokufundisa izingane zabo.
